

Product Description

Incandescent candle bulb

The C35 candle bulb is an exquisitely crafted incandescent light bulb featuring a classic candle-shaped design. As a 2700K incandescent light bulb, the C35 candle bulb emits warm pale yellow light, creating a comfortable and relaxing ambient atmosphere. The C35 candle bulb is available in both frosted and clear candle light bulbs. With multiple base types, the C35 candle bulb is compatible with various light fixtures, including chandeliers, wall sconces, and table lamps. Among them, 40 watt candle bulbs are the bestsellers..

Advantage

1. Instant Full Brightness

Todaybulb's C35 incandescent bulb, no warm-up time needed; light is immediate at the flip of a switch..

2. Warm Light

Todaybulb's C35 2700K incandescent light bulb emits light that not only enhances interior design but also creates a cozy atmosphere.

3. Dimmable

Todaybulb's C35 candle bulb is perfectly compatible with traditional dimmers, allowing you to adjust the brightness to your desired level.

4. Cheap price

Todaybulb's C35 Incandescent bulbs are cheaper than LED lights. Since a crystal chandelier requires many bulbs, C35 E14 bulb is the best choice for most light fixtures requiring bulb replacement.
